Introduction

This information sheet gives details about competitive sports opportunities and outdoor activities for adults, although some of the opportunities listed may also be suitable for children. All sports and activities in the information sheet are either aimed at people with disabilities or are inclusive.

Please note that details about the sports opportunities listed, such as meeting times and venues, were correct at the time of compiling the sheet. These details may have changed so always check current details when contacting any of the organisations.

Some support groups and social clubs for people with specific disabilities may also include sports opportunities (e.g. Torbay Deaf Social Club and Torbay Gateway Club) but these are generally not included in this sheet, nor are groups which help to build up confidence.

For information about groups that provide support for specific conditions, see our 'Support Groups' information sheet, P21. For information about leisure opportunities, see our 'Leisure' information sheet, P28. If it is gentle exercise, rather than sports, opportunities that you are seeking, please refer to our 'Gentle Exercise' information sheet, P22.

If, after looking through this information sheet, you are still not sure which sports opportunity to pursue, you may wish to search the Devon Community Directory database at www.devonline.gov.uk/community. This website includes information about sports and leisure opportunities all over Devon. For other sources of information about general sports opportunities, please see page 5.
